October 31, 2014  
FOR IMMEDIATE RELEASE

**Say Boo to Hunger! Trick-or-Treat so others can eat.**  
***Malloween: Dimond Center's Halloween Fundraiser***

ANCHORAGE, AK – Dimond Center presents their annual "Malloween" fundraiser event which will be held October 31, 2014 from 6pm-8pm. It is a fun opportunity for the whole family to trick-or-treat out of the cold benefitting local charities that provide meals for the community. With thousands of participants trick-or-treating from store to store every year, it's a fun, family orientated event that brings community and local business together for a great cause: fighting hunger in the Anchorage area.

The cost of the event per child is \$5 (donated to Dare to Care) or 2 cans of food (donated to Food Bank of Alaska).

**Dare to Care**

The Dare to Care program helps feed children-in-need who chronically go to school hungry and without food or money to purchase a school lunch.

**Food Bank of Alaska**

Food Bank of Alaska believes no one deserves to be hungry. They are dedicated to eliminating hunger in Alaska by obtaining and providing food to partner agencies feeding hungry people and through anti-hunger leadership.
